

ROOSEVELT WANTED FOR VICE-PRESIDENT.

The Governor Does Not Desire the Nomination But Will Take It if Named.

PHILADELPHIA, June 18.—From a spectacular standpoint, the convention began today. Over night the city blossomed like a flower garden. Bright skies smiled and a cool breeze instilled life and animation into the constantly swelling crowds. By every train they are pouring into the city, and the town awoke to the strains of martial music as one of the marching clubs swung up the street, headed by a brass band playing as if its salvation depended upon the vigor put into the music. There has not been an hour since when the air was not filled with music in which bands have not been parading in some quarter of the city and escorting the incoming delegates, clubs and distinguished visitors. The leaders are being serenaded, and the hotel corridors are jammed with seething, struggling crowds.

And the Roosevelt contagion is everywhere. The town is mad with delight at the prospect of his nomination. His badge is on every lip. Nothing else is talked of. In the streets the newsboys dinned it into every ear, and the flocks with an endless supply of buttons, should their wares in the sporting parlance of their kind, "McKinley, with Roosevelt for a piece." There was the biggest kind of a turn-out of pretty women and almost without exception they were wearing the vicinities of the Empire State Governor. So far as the grant that the ticket is already named. The crowds will not listen to the suggestion that Roosevelt himself may upset the program. They say he had as well attempt to stay the torrent of Niagara.

In the hotels the delegates were busy holding State meetings, selecting committees and distributing badges. These latter are the handsomest seen in years. They consist of simple bronze medallions suspended by ribbons from a bronze bar. On the medallions are the faces of Lincoln, Grant and McKinley superimposed upon each other, McKinley's likeness uppermost. The leaders are pow-wowing. The National Committee held a final meeting to clear the decks for tomorrow and the convention officials are engaged in the distribution of the tickets and in adjusting the thousand and one details which remain to be attended to.

THE KEY TO THE SITUATION HELD BY ROOSEVELT.

PHILADELPHIA, June 18.—Unless the consensus of opinion of the most expert observers is away, the selection of a candidate for Vice President tomorrow will have been made in the most decisive manner.

The key to the situation is held by Governor Roosevelt of New York and it seems certain at this writing that McKinley and Roosevelt will be the slogan with which the Republicans will appeal to the country in the approaching campaign. And yet this far Governor Roosevelt has not said the decisive word. His position is unique in American politics. He does not desire personally the nomination for Vice President. Several weeks ago he said to the President that he would not in any conceivable circumstances be a candidate for Vice President. He believed he might serve better the interests of the Republican party by standing again for the Governorship of New York. His position is unchanged, he says. Yet in face of that fact and in face of the desire of a few, at least of the well known Administration leaders, including Mr. Hanna, to nominate somebody else, the nomination seems to be going itself, by a curious combination of circumstances, upon the New York Governor. The running of the tide towards Roosevelt can be stemmed only by one man—the President. The drift of sentiment always has been toward one man because of the prevalent belief that the strong New York man was needed on the ticket. This fact accounts for the rise of the Roosevelt stock yesterday. In a wonderful degree McKinley is the dominant force at this assemblage of Republicans. No considerable fraction of the delegates to the Convention desire to do that which the President does not want done. But the President is saying nothing.

The formidable proportions assumed by the Roosevelt boom—if so it may be termed—was the subject of earnest consideration by the prominent Republican leaders who attended the dinner at the residence of Clement A. Griseom last night. That dinner may become historical. Only friends of the Administration were present, only leaders of the Administration forces. The platform was discussed and so was Roosevelt. From one who attended the dinner it is learned that there is a question among the friends of the President who believe they have the entire convention situation well in hand, whether they will join Governor Roosevelt in an attempt to stem the stampede which started towards the New York Rough Rider executive yesterday. There is an apparent misunderstanding between Roosevelt and the leaders of the convention. A strong disposition was manifested in some quarters

PHILADELPHIA, JUNE 18.—GOVERNOR ROOSEVELT TODAY GAVE OUT THIS STATEMENT:

"IN VIEW OF THE REVIVAL OF THE TALK OF MYSELF AS A VICE PRESIDENTIAL CANDIDATE, I HAVE THIS TO SAY:

"IT IS IMPOSSIBLE TO EXPRESS HOW DEEPLY TOUCHED I AM BY THE ATTITUDE OF THOSE DELEGATES WHO HAVE WISHED ME TO TAKE THIS NOMINATION. MOREOVER, IT IS NOT NECESSARY TO SAY HOW THOROUGHLY I UNDERSTAND THE HIGH HONOR AND THE DIGNITY OF THE OFFICE, THAT IT IS WELL WORTH THE AMBITION OF ANY MAN IN THE UNITED STATES. BUT WHILE I APPRECIATE ALL THIS TO THE FULL EXTENT, NEVERTHELESS I FEEL MOST DEEPLY THAT THE FIELD OF MY BEST USEFULNESS TO THE PUBLIC AND THE PARTY IS IN NEW YORK STATE, AND IF THE PARTY SHOULD SEE FIT TO RENOMINATE ME FOR GOVERNOR I CAN IN THAT POSITION HELP THE NATIONAL TICKET AS IN NO OTHER WAY. I VERY EARNESTLY ASK THAT EVERY FRIEND OF MINE IN THE CONVENTION RESPECT MY WISH AND MY JUDGMENT IN THIS MATTER."

ROOSEVELT WILL NOT DECLINE IF HE IS NOMINATED.

It is quite certain that long range politics is being played in the game now proceeding. It is indicated that Governor Roosevelt has aspirations to be the party's candidate for President in 1904. Those who are pressing his candidacy for the Vice Presidency now have told him that, in the event of his making a great campaign on the stump this year, the credit for victory, if victory again should come, would be largely his, and thus he would be in strong position to appeal to the party for the Presidential nomination. It is indicated, but the intimation lacks even the faint confirmation of Governor Roosevelt himself, that he will rise to a question of personal privilege in the convention and either withdraw his name unconditionally or state his reasons for not desiring the nomination. That he will decline the nomination if once it should be made robbly believes. In fact, he has said that no man in such circumstances should refuse to obey the party's mandate and live in the hope of a political future. The intimation, it may be said, originated with friends of Representative Dilliver, the magnetic orator of Iowa, who has made so strong a bid for the Vice Presidential nomination. Representative Dilliver's friends insist that he will not be stumped from the race. They declare he will remain until the finish.

After several days of indescribable dullness, today is electric with interest. The crowds that have been conspicuously absent are arriving on every train and marching clubs and bands are making things lively in true convention style. The perfunctory proceedings of the past few days have given way to aggressive-ness and bustle, and tens of thousands of strangers will be in the city by night-fall.

The weather is delightful, fair, cool and breezy. It is a sharp contrast to that of Saturday and Sunday, during which a cold rain fell almost constantly. Delegation meetings for the purpose of selecting members of convention committees will be the order of the day. Interest, of course, will center on the action of the New York delegation, which will convene tonight. Action will then be taken by the delegation as to Governor Roosevelt, and it is not unlikely that he

DISTRIBUTION OF CONVENTION TICKETS BEGUN.

The distribution of tickets for the convention was begun by Sergeant-at-Arms Wiswell at 8 o'clock. Philadelphia was given 4,000 of the cards, which will be given to only those persons who subscribed to the local convention funds. Each delegate received his own and two additional tickets and every alternate was given one seat. The National Committee members were each presented with twenty-five of the much sought after postcards, while the remainder were distributed among the distinguished men invited by the National Committee.

Governor Roosevelt arose early this morning, but even while he was dressing he was talking to visitors. He grasped at every bit of gossip that was brought, as eagerly as if he expected to get some relief from the pressure. When told that Congressman Grosvenor, Senator Fairbanks and some other prominent people were out working against his nomination, he expressed satisfaction. It may be said with a show of authority that Governor Roosevelt is now busy with the problem of deciding whether he will absolutely decline the nomination even if it is offered in the convention. He was of the opinion up to 9 o'clock today that he could not decline if it was thrust upon him, and he is only wavering because of the advice of personal friends that he cannot hurt himself any more by declining than he can by accepting.

Lieutenant-Governor Woodruff, himself a candidate for Vice-President, said to the Associated Press: "They cannot stop, in my opinion, the nomination of Governor Roosevelt. In fact, it is as good as made. I do not see how Governor Roosevelt can possibly, with benefit to himself, either stop the boom or decline the nomination. If it is given him, in either event it would be regarded as a tacit surrender to Hanna, and the country at large would assert that either he had been forced out of the nomination by Hanna and the Administration or compelled to decline it by the same forces."

Governor Roosevelt was asked this morning whether the persistent rumors that New York would endorse him tonight had any foundation. He said rather sharply: "None whatever. The delegation is pledged not to do so, and I am assured this morning that they will not attempt to endorse me." "Perhaps they hope to get your consent to such an endorsement," was suggested. "Never, never," he said in his emphatic way. "I will not consent, no matter what happens. I shall not allow my own State delegation to be for my nomination. Rest assured that New York will not endorse it."

Among the State delegation it was the opinion that there would be no attempt to endorse any Vice Presidential candidate, the delegation leaving the matter open.

Senator Hanna arrived at 9:45 this morning, having spent the night with Mr. Griseom at Haverford. He went directly to the Hotel Walton. It took a deal of effort both on his own part and also on the part of Colonel Dick, who had met him at the door, to get through the crowd that thronged about him. Among those who pressed upon him were many newly arrived delegates who merely wanted to shake hands, and many of them wore badges proclaiming themselves as advocates of McKinley and Roosevelt. The Senator looked upon these with a good natured smile, but declined to talk. To the newspaper man he would only say that he was not prepared to say anything. He went to his own apartments, where he discussed the situation with Colonel Dick and others of his faithful followers.

Senator Hanna's friends generally admit very frankly that unless there is a radical change the nomination of Roosevelt is inevitable. Colonel Dick admits the strong probability of Roosevelt's nomination. Yet he remarked that some time must elapse between now and the naming of a Vice Presidential candidate, and there was always a possibility of changes until made.

ROOSEVELT BOOMERS ARE ENTHUSIASTIC.

The originators of the Roosevelt stampede are not yielding an inch. Senator Quay is among the firmest. J. Saunders, National Committeeman from Colorado, who was among the first to embark upon the Roosevelt enterprise, said today: "We will land our fish sure; it is even an easier catch than we had counted on. No Eastern man ever came to the West who made such an impression as did Roosevelt. The mountains and plains naturally love a 'Rough Rider.' The Dilliver people have abated none of the confidence they expressed last night regarding the chances of their man. They say they had assurances

KINYOUN'S ORDER IS RESCINDED.

All Persons Are Free to Leave State Without Certificates.

A Ruling from Washington That Knocks Out the Quarantine.

SAN FRANCISCO, JUNE 18.—FEDERAL QUARANTINE OFFICER DR. KINYOUN HAS NOTIFIED SHIP COMPANIES THAT HE HAS WITHDRAWN ALL HIS INSPECTORS AND THAT BOTH CHINESE AND WHITES ARE FREE TO LEAVE THE STATE WITHOUT CERTIFICATES OR INSPECTION.

KINYOUN TURNED DOWN. WASHINGTON, June 18.—The Treasury Department has directed Dr. Kinyoun of the Marine Hospital Service at San Francisco to rescind his recent order putting into effect the circular issued some time ago by the Marine Hospital Service forbidding persons from leaving California unless provided with a health certificate. The department also has directed to contest the case against Dr. Kinyoun of contempt of court for putting the regulation into effect. The Attorney General has been asked to instruct the United States Attorney at San Francisco to appear for Dr. Kinyoun, as it is thought that he had no intention of disregarding the mandate of the court.

CALIFORNIA'S PROTEST. PHILADELPHIA, June 18.—A committee from the California delegation left for Washington today to protest to the President and the Secretary of the Treasury against the strict quarantine regulations resulting from the plague reports.

KINYOUN SCORED BY GOV. GAGE.

SAN FRANCISCO, June 18.—Governor Gage today made public his first dispatch to President McKinley in relation to the course pursued by Federal Quarantine Officer Kinyoun. It is one of a series of communications sent by the Governor, but the others and answers thereto he does not feel at liberty to give to the press. The dispatch which first acquainted the President of the acts of Dr. Kinyoun was as follows:

"SAN FRANCISCO, June 16, 1900.—The President, Washington, D. C.—Dr. Kinyoun, the Federal Quarantine Officer of this port, claiming to act under your authority, has unreasonably and unnecessarily quarantined this State in opposition to my full and fair report to the Honorable Secretary of State, under date of June 14, 1900, and also, among other things, in opposition to the opinion of Judge Morrow of the United States Court, rendered yesterday, dissolving the quarantine."

Through Dr. Kinyoun's conduct in the past, as well as his present action, the reputation of the State, the rights of citizens as well as the rights of foreign subjects, are outrageously impaired.

I am informed that Dr. Kinyoun transmitted dispatches yesterday to Washington through official channels, wherein are contained unwarranted statements and improper reflections. He has been advised by the United States District Attorney that his course is unjustifiable, and he refuses to withdraw his last order of general quarantine without further instructions from Washington.

On behalf of the people of California, I respectfully protest against his actions, and request immediate relief for the people of this State, the traveling public and

TAKU FORTS TAKEN BY POWERS' FLEETS.

Surrendered After a Brief Fight—Japan and Russia are Landing Troops.

LONDON, June 18.—A dispatch from Chefoo under today's date says: "The forces of the combined fleets occupied the Taku north forts yesterday after exploding a magazine. "The British gunboat Algerine was attacked and two of her officers and four men were wounded. "Japan and Russia are reported to be landing a large force of troops. "All is quiet here."

TAKU FORTS SURRENDERED. WASHINGTON, D. C., June 18.—The Navy Department has been informed by Admiral Kempff that the Taku forts have been taken by the foreign warships and after a brief engagement, surrendered.

GOOD NEWS FOR ENGLAND. LONDON, June 18.—5:15 p. m.—The dispatch of the Associated Press from Admiral Kempff dated Washington, containing the Admiral's report of the engagement at Taku was the first news Lord Salisbury received of the capture of Taku forts. The British government was aware that an engagement was proceeding, but it was ignorant of the result and the greatest satisfaction is evinced. The officials of the Foreign Office say no word has been received from the British Minister at Peking, Sir Claude MacDonald, since June 12th, and the government is ignorant as to whether the legations at the Chinese capital have been captured or not. The Admirals on the spot are relied on to overcome all difficulties. Admiral Seymour, the British commander, not being hampered by orders and any requests which he may make will be promptly met.

RUSSIA DEMANDS INDEMNITY. LONDON, June 18.—A dispatch from Shanghai says Russia has demanded \$5,000,000 indemnity for the damage done the Chinese railroads in which Russians are interested.

INDIAN TROOPS DRAWN ON. Simla.—In consequence of the activity of the Chinese situation, the Seventh Bengal Infantry has been ordered to proceed to Hongkong.

PEKING LEGATIONS TAKEN. LONDON, June 18.—Shanghai is to the front again with the statement that the Taku forts have been occupied by the international troops. According to a Chefoo special, seventeen forts opened fire upon the warships, whereupon the fleet replied in kind and silenced the Chinese guns. The international forces subsequently landed and seized the forts.

The news of this engagement is stated to have been brought to Chefoo by a Japanese warship, but the date of the occurrence is not given. According to a dispatch the Chinese bombardment followed, an ultimatum sent by the commanders of the fleet.

An official dispatch from the German Consul at Chefoo received at Berlin confirms the arrival of a Japanese torpedo boat with the following message: "The Japanese torpedo boat reports that the legations at Peking have been taken."

Whether taken by the Boxers or the Chinese troops or the mob is apparently not stated.

A later dispatch from the same Consul in Berlin this morning states that an engagement is proceeding in Taku between the Chinese forces and the foreign warships. Berlin also has official notification from Shanghai that owing to the interruption of telegraph lines no trustworthy news whatever is obtainable of the events transpiring in Peking.

OUR TROOPS READY. WASHINGTON, June 18.—The War De-

partment confirms the report that the Ninth Infantry has been ordered from Manila to China. Colonel Liscum commands the regiment, which has its headquarters at Manila, two hours distant by rail from Manila. War Department officials say the regiment is already aboard the transport and ready to sail for China. TROOPS RETURN TO TIEN TSIN. LONDON, June 18.—The Admiralty Office has received the following dispatch from Chefoo under today's date: "The Japanese man of war Teyashiki has just arrived from Taku. She reports that the Commander-in-Chief and troops are back at Tien Tsin."

DELAYED BY TYPHOON. WASHINGTON, June 18.—The War Office has received the following telegram from General MacArthur at Manila, dated yesterday: "Ninth Infantry, Colonel Liscum, ordered to Taku on Logan, transportation Port Albert, probably start 24th. Typhoon delays movement."

CABLE LINES WORKING. NEW YORK, June 18.—The Great Northern Telegraph Company has issued a notice to the Commercial Cable Company to the effect that the lines to the Far East are in order again.

FRENCH CONSULS FLIGHT. PARIS, June 18.—5:45 p. m.—The French Consul General in South China, who was instructed to send into Tonquin all the French citizens at Yunnan Sen, cabled from the latter place, under date of Thursday, June 14, that he had been prevented from leaving with his companions, by the Viceroy, and that his house and all the missions have been burned. He adds that everything including their clothes has been stolen and that they are practically prisoners.

The foregoing is the situation referred to by the French Ministers of Foreign Affairs. M. de Cassie, in his speech of June 11, said that the French ships were in the river and that the Japanese warships replied. The bombardment lasted seven hours. Two British ships in the river were also hit and reported to have been sunk. The telegraph line between Tien Tsin and Taku was destroyed. (Continued on Page 1.)

FRENCH CRUISERS' ORDERS. PARIS, June 18.—The French first-class cruiser Guichen and the French armored cruiser Albatros have been ordered to fit out immediately for China.

CHINESE SITUATION. WASHINGTON, June 18.—The actual news of the situation in China was received by the Navy Department in two cablegrams, the contents of which were made known as follows: "The Department has received a cablegram from Admiral Remey at Cavite, dated June 18, that informs the Department that Commander Tausig cables that the Taku forts at the mouth of the River Pui Ho fired on the foreign gun vessels and surrendered to the allied forces on the 17th. The Department has instructed Admiral Kempff to confer with the other powers in taking all steps necessary to protect all American interests."

"A dispatch from Tausig, dated Chefoo, June 17, says that the Taku forts fired on foreign gun vessels at 12:45 in the morning, and reports that the British Admiral is at Tien Tsin."

The press dispatch from Manila last night says that the Ninth Infantry had been ordered to Manila for service in China, exposed the secret plans of the War Department to dispatch troops to the scene of trouble in China. Secret orders were sent to General MacArthur a few days ago to prepare for the prompt dispatch of troops to Taku, but it was not intended that the matter should become public until the move was at least underway. Now that the matter leaked out, the officials of the War Department admit that the administration has concluded to send troops to China for the

protection of the lives and property of American citizens. "The voyage from Manila to Taku will occupy at least a week."

KEMPF ASKS INSTRUCTIONS. WASHINGTON, June 18.—The Navy Department has made public the text of the two cablegrams received from Admiral Remey and Commander Tausig. The first is as follows: "3:40 A. M.—CANTIE, June 18.—Bureau of Navigation, Washington: Tausig reports that Taku forces fired upon foreign gun vessels and then surrendered to the allied forces the morning of June 17th. Kempff asks instructions about joining other powers who are taking united action in demanding that the Taku forces be turned over to them to secure favorable termination of the trouble. Will the Department instruct Kempff through Taku at Chefoo and give me the same information?"

The telegram from Commander Tausig of the Yorktown is as follows: "CHEFOO, June 17.—Taku force fired on foreign vessels about 12:45 A. M. Surrendered to allied forces at 8 A. M. The British Admiral is at Tien Tsin. "TAUSIG."

FRANCE ACTS PROMPTLY. PARIS, June 18.—M. de Cassie has now summoned the Chinese Minister to Paris and has requested him to immediately telegraph the Viceroy of Yunnan-Sen that France will hold him personally responsible for the lives of French citizens. BRITISH SHIPS SUNK. BERLIN, June 18.—The German Consul at Chefoo telegraphs that a Japanese torpedo boat from Taku has brought the following: "The Chinese laid torpedoes in the Taku river and collected troops from Shan Hei Kwan. The foreign commanders assembled on the Russian flag and addressed an ultimatum to the commanders at the Taku river. The ultimatum was withdrawn their troops before 2 o'clock, June 17. At 1 a. m. June 17, the guns of the forts opened fire, to which the Russian, British, French and Japanese warships replied. The bombardment lasted seven hours. Two British ships in the river were also hit and reported to have been sunk. The telegraph line between Tien Tsin and Taku was destroyed. (Continued on Page 1.)

ROMANCE IN A TELEPHONE OFFICE.

Lineman and a "Hello" Girl Flee to San Rafael to be Wed.

The many friends of Miss Alma Gooch and James H. Otey were surprised this morning when they announced that they had been married for nearly a month. Three weeks ago they went quietly to San Rafael and were there married by a local minister.

The happy young couple then returned to their respective homes in this city and no one was the wiser until last Saturday night, when they told their parents and it was then decided to publicly announce the marriage today. There was no objection to the match on the part of the parents of the contracting parties, but they preferred to be married secretly and had intended to keep the affair a secret until the first of next month, when the bride will leave the employ of the telephone company, where she has been chief clerk for several years. The parents of Otey, however, became suspicious, and he decided to make a clean breast of it.

Otey has been employed by the telephone company in the mechanical department for the last five years, and it was while thus employed that he met Miss Gooch. The couple will go to house-keeping in July.

NEW YORK, June 18.—A dispatch to the Tribune from Cape Town at midnight, the opinion prevailing at Cape Town that the Delagoa bay communication will be cut off by the Boers, and that there has been no definite information that any movement of this kind is in progress through Swaziland. Lord Roberts' own plan of campaign seems to involve complete separation of the Free State and Transvaal forces by the occupation of the railway between Johannesburg and Ladysmith, which will probably be captured this week.

Press dispatches indicate that no advance has been made from the Boers toward Bulwer, and that there has been no change in the situation in the Free State. General Buller's division is skirmishing with the Boers, but only insignificant outposts are reported with some artillery firing near Peka-burg. Alameda Man Thinks "Hard Times" Party School System is Wrong.

Alameda, June 15.—A very happy occasion was a "hard times" party given by Miss Lottie Williams to her friends and neighbors at the residence of Mr. and Mrs. George Hancock at 1506 Mountain street, Alameda, last Friday evening.

At midnight a happy crowd took a recess for refreshments, after which the prizes were awarded. Mrs. Colson received the ladies' prize, and Mr. Williams gave a select reading. Miss Hamilton of Oakland furnished the music

FIRST VESSEL TO REACH NOME.

Rest of the Fleet Waits the Breaking up of the Ice.

Associated Press Dispatches by
The Tribune Special Correspondent
SEATTLE, Wash., June 18.—The steamer
Jennie, Captain Mason, arrived at 11
o'clock last night fourteen days from
Cape Nome with few passengers and no
freight. The Jennie brought out no gold
except what was in the possession of her
passengers. It has not been possible
to do much work in the district during
the winter season. The Jennie was the
first vessel to break through the ice and
first to reach Cape Nome. She sailed from
Seattle May 2, and arrived at Nome, May
23, three days ahead of the steamer Alpha
although the latter had sailed in the morn-
ing of April.

The Jennie brings news from the north-
ern coast. They are waiting the breaking
up of the ice, some remaining at Dutch
Harbor and the others scattered about
to within 100 miles of Cape Nome. Sev-
eral of the vessels, including the revenue
cutter Bear, are frozen in about latitude
65, within 100 miles of Nome.

A number of minor accidents to the
fleet are reported, and there has been
some damage to freight and passengers, but
so far as learned no injury to persons or
loss of life.

Returning passengers report the gener-
al health at Nome to have been good
throughout the winter. There has been
lack of accommodations and prices for
everything are high, but the situation
will be relieved as soon as the ice breaks
and freight vessels get through.
